Project Rachel

This diocesan based ministry is composed of a network of specially trained clergy, spiritual directors and therapists who provide compassionate one-on-one care to those who are struggling with the aftermath of abortion. Project Rachel is designed to provide confidential and skilled help to each individual who comes to the ministry. Project Rachel is an outreach of the Catholic Church, but it is open to anyone who is struggling after an abortion loss. It is able to help women and men; parents, grandparents, siblings, friends and others whose lives have been impacted by an abortion loss.
