Los Alamos Entrepreneurs' Network Meetups

This is a regular, monthly meetup held on second Wednesdays. If you are interested in entrepreneurship or start-ups, please join us at these monthly meetups! Come join us if you are open to communication, learning, sharing ideas, and experiences, and want to connect with other people.

Every other month is an informal social mixer held at Bathtub Row Brewery. Other months we invite speakers to present to the group and answer questions.

Participation in LAEN Meetups is free and open to anyone.
