

**SHARE** new mexico™

## Regular Entrepreneurship Events

projectY cowork regularly hosts events, panels, individual speakers and other events of interest to the entrepreneurial community of Northern New Mexico, in addition to other topics. Every Tuesday, the space also serves the community by hosting TED Talks, where a former TED Talk is replayed and an informal discussion follows. This is a free event, and people are encouraged to bring their lunch. For all upcoming events, most of which are free, visit the projectY website at:

<https://www.projectylosalamos.com/en/events>

The Tuesday TED Talk Schedule is also available on the website.

## Parent Organization

### projectY cowork Los Alamos

projectY cowork Los Alamos, a collaborative coworking space located at 150 Central Park Square in Los Alamos, New Mexico, serves as a hub for startups, freelancers and others to be connected to like-minded entrepreneurs, business experts, investors and mentors who will help them achieve their personal and professional goals. It is an initiative between Los Alamos Commerce and Development Corporation, Los Alamos County, Los Alamos National Laboratory (LANL) Feynman Center for Innovation, Regional Development Corporation (RDC), LANS, LLC, and Central Park Square owner Philip Kunsberg. For more information about projectY memberships, conference room rentals, and other services, visit [www.projectYLosAlamos.com](http://www.projectYLosAlamos.com).
