

## Santa Ana Pueblo Social Services

**Family Support Services** – We offer assistance to families who may be struggling or experiencing problems with making ends meet, including assistance with applications, referrals, and some emergency funding to ensure the family's basic needs are being met.

**Protective Services** – We investigate allegations of child abuse or neglect, vulnerable abuse or neglect within the jurisdiction of the Pueblo of Santa Ana in compliance with the Pueblo of Santa Ana Vulnerable Adult Protection Code and Children's Code. For tribal members who live outside the Pueblo boundaries, we work in conjunction with state agencies to ensure adherence to ICWA & IFPA guidelines.

**Domestic Violence Services** – We offer services such as advocacy, emergency shelter, assistance with all court proceedings, and counseling services for the victims of domestic violence. We investigate allegations of domestic violence within the jurisdiction of the Pueblo of Santa Ana in compliance with the Pueblo of Santa Ana Domestic Violence Code.
