Coaching

Need a little help in a few different areas? Want a personalized touch? We offer scalable one-on-one coaching with Dr. Damien Sánchez. Coaching is an interactive process that facilitates individual growth towards goals or a desired future state. The process requires active listening, asking powerful questions, and creating action plans. Bring your questions and challenges directly to your coaching sessions for customized assistance in areas including but not limited to the following:

- Evaluation
- Research Design
- Return on Investment
- Instructional Systems Design
- Data Collection
- Instrument Review
- Strategy
