

Supporting Urban Educators in Alameda County

Reach's work with Oakland Unified and San Lorenzo Unified School Districts is designed to recruit, prepare, and support teachers and leaders dedicated to working in the region's urban schools. It builds upon an ongoing partnership between Reach and both high need urban districts, which has been enthusiastically supported by school and district leaders, including Superintendents Kyla Johnson-Trammel and Fred Brill .

Reach Institute for School Leadership

Reach is an educational institution that believes great teaching is at the heart of every great school. Reach's mission is to improve schools by improving instruction, fostered by providing rigorous, relevant, and applied pathways and preparation for exceptional teaching & leadership in our candidates' daily work. The Reach Institute develops and supports teachers and educational leaders who are committed to creating and sustaining effective urban schools.
