Red Planet Comics and Books

Native Realities, the Albuquerque-based company behind the Indigenous Comic Con, opened their store front to the public June 3rd, 2017. The store feature comics, toys, games, kid's books and pop art from Native and Indigenous artists, as well as new and used books by Indigenous writers from around the world. Located at 1002 Park Avenue SW, the store will operate as the main headquarters for Native Realities and is the only Native American comic shop in the world.
