Rescue Human Trafficking Victims

Rescue The Innocent vision is to identify online human trafficking victims by gathering vital evidence using past anti-human trafficking experience and vast research utilizing the latest technology, partnering with law enforcement officials to complete the rescue of identified victims of modern day slavery. R.T.I. will be one of the first nonprofit organizations to perform in such capacity collecting critical facts and data otherwise unable to be obtain by law enforcement due to constrains, and or lack of awareness.

Conduct anti-human trafficking educational campaign seminars in religious sanctuaries, community centers, neighborhood associations, multi crime free organizations and directly with the victims themselves through a direct 24 hour manned phone line receiving leads from those that will not contact law enforcement or a 1-800 number.
