Commercial Composting

Collecting food scraps from restaurants and insitutions for conversion into and distribution of nutrient-rich compost in order to support local food security from the ground up.

Details

Ages: All ages

Services

Community Economic Development Environmental Protection & Improvement

Locations

*1829 San Ysidro Crossing
Santa Fe, NM 87507*

Phone: (505) 393-1196

Parent Organization

Reunity Resources

Reunity Resources seeks to innovate and build infrastructure in order to create value from community waste streams. Building local food security through the capturing of food scraps on a commercial level for reuse into nutrient-dense compost is a primary focus.
