

#### **Educational Outreach**

Partnership with the Santa Fe Public Schools and other educational facilities to train and educate on source separation of food scraps, the process of converting it to compost and the reasons this makes a difference in our world.

# **Details**

#### **Services**

Educational Programs Environmental Protection & Improvement

### **Locations**

1829 San Ysidro Crossing Santa Fe, NM 87507

**Phone:** (505) 393-1196

# **Parent Organization**

# **Reunity Resources**

Reunity Resources seeks to innovate and build infrastructure in order to create value from community waste streams. Building local food security through the capturing of food scraps on a commercial level for reuse into nutrient-dense compost is a primary focus.

1829 San Ysidro Crossing Santa Fe, NM 87507 **Mailing:** 1000 Cordova Place #650
