Rio Metro Regional Transit District

The Rio Metro Regional Transit District is the primary regional transit provider for Bernalillo, Sandoval and Valencia counties, offering transit service between municipalities and across county lines. Rio Metro manages the New Mexico Rail Runner Express commuter rail and operates and/or funds select bus routes in the three-county area. Rio Metro's services also provide links to other statewide destinations and transportation markets including Santa Fe, Taos, and Socorro. The agency's top priority is providing service that enables customers to access regional destinations, a critical transportation need since tens of thousands of trips occur each day between different towns, cities, Tribal areas, and counties in the service area.
