## Rio Rancho Youth Chorus

We started our 1st program in 2013, Rio Rancho Youth Chorus (RR-YC). RR-YC teaches our young members how to sing, read music, harmonize, exercise performance skills, socialize with their peers and their community, all the while, developing confidence in themselves and their ability to contribute to a group. RR-YC performs various styles of music that will teach the chorus members to learn harmony, recognize and reproduce pitch, have rhythmic accuracy, and be able to focus while the chorus, as a whole, works towards our goals. Through the group's musical instruction and performance experience, RR-YC hopes to instill confidence and self-esteem, skills that will serve our members for life.

### **Rio Rancho Creative Crossroads**

**Rio Rancho Creative Crossroads' mission is to be a leading regional artistic organization and to be an interactive, collaborative contributor to the cultural life of our community through art and cultural enrichment.** Created in response to dwindling budgets for arts programs in our local public-school system, Rio Rancho Creative Crossroads raises awareness about the importance of the arts, offers a variety of opportunities for local youth and adults to participate in the arts, and fosters a love and respect for the arts and a sense of belonging and empowerment within our community.
