## Ronald McDonald House

Our Ronald McDonald House is the location of our core Lodging Program, our cornerstone. Many families travel over 50 miles for pediatric treatments in Albuquerque. The treatment may last a day, a month, or longer. It's a long time to be away, or to divide a family. The House asks each family to donate \$15 per night; however, if it's not possible to pay, the fee is always waived.

Our Ronald McDonald House offers temporary lodging for 30 families nightly. There is ample free parking. Families who stay at our Ronald McDonald House better communicate with their child's medical team and keep up with complicated treatment plans.

**The Lodging Program consists of private sleeping rooms with full baths for each family as well as complimentary services not found in standard lodging choices:**

Private family bedrooms; passes to local attractions; wireless internet access; Tempur-Pedic beds; private direct line phones; cribs and bassinets; fully stocked kitchens; baby quilts & afghans; TV/DVD Players in guestrooms; outdoor play spaces; phone cards; movie library; linens; continental breakfast; books & periodicals; hair dryers; home-cooked dinners; Cable TV;  
Business Center services; computer workstations; assigned refrigerated space; bath amenities; transportation; private food cabinets; and stocked laundry facilities.
