Portales Rotary Club Portales Public School Offices Zia Room

Service Clubs: Organizations whose members are business and professional men and-or women, housewives, students, military dependents or other individuals who have a common interest in improving the life of the community, which raise funds through events such as barbecues, theater parties, art shows, or telethons to finance any of a wide variety of community service projects that have been selected by the membership. Most service clubs are chapters of national or international organizations.
