Summer Arts Camp

We feature a week long **Summer Arts Camp** program for children 5-18, with art, ceramics, percussion and performance. We provide a healthy snack and free lunch. The cost is very low and scholarships are available. Our Student Intern program is a leadership training program that provides support for the camp teachers. We continue to expand the annual Summer Arts Camp and other educational programs with workshops and classes in the visual arts, theatre arts, literature and music. Our Mural Project runs concurrently for young local mural artists. In **2020**, the program will be **July 13-17th**. The camp is held at the former Edgewood Elementary School in Edgewood, NM.
