

**SHARE** new mexico™

Runfit has offered many disadvantage youth the chance to participate in running and racing events they would otherwise not have access to. Parents have also come out to assist and have now become involved as volunteers. There is no cost associated with our program, however, children must belong to either a school, home school or and after school running program. Our program has reached beyond the track to helping to support the Albuquerque Food Pantry Program serving food to 200 families within the community and the Albuquerque Title I Homeless Project

## Parent Organization

### Run Fit

RunFit was launched as a bold joint initiative aimed at curbing the growing epidemic of child obesity by creating a running program for children at after-school programs and in-school programs across the district
