Food pantry - Food provided by: ECHO, Inc. - Farmington (Food Bank)

A food pantry distributes groceries to people who are poor, low income. Food pantries receive food through private donations, the USDA commodities programs, or/or through a Food Bank. Some pantries are in church basements, while others may be nothing more than a closet in a daycare facility. Food pantries are usually staffed by part-time volunteers, and hours and eligibility criteria can change. For the most current information about this food pantry please call the Food Bank that provides food for this site (phone number below).
