## Green Business Roundtable

The Green Business Roundtable (GBR) is one of the most innovative and successful lunchtime networking events in Durango. Routinely attended by over 75 business leaders, elected officials, and influential community members, GBR inspires innovative discussions on timely issues affecting our region.

## Parent Organization

### San Juan Citizens Alliance

San Juan Citizens Alliance advocates for clean air, pure water, and healthy lands -- the foundations of resilient communities, ecosystems and economies in the San Juan Basin. In addition to working in both Colorado and New Mexico, we have long-standing partnerships with Navajo Nation advocates as members of the Nation often experience the brunt of climate and health impacts from the overwhelming amount of fossil fuel development in the Four Corners.
