San Juan County Health Council

The San Juan Health Council (SJHC) serves as the comprehensive health council for San Juan County. The health council is composed of individual citizens, groups, service providers, and other agencies committed to improving the overall health of San Juan County.

MISSION

The San Juan Health Council strives to elevate the health, wellness, and quality of life for the people of San Juan County through community dialogue, partnership, education and collaborative action.

VISION

The San Juan Health Council envisions a healthy equitable community united by a collaborative spirit with respect for the diversity of culture of the community. The council envisions a future where health and wellness is embedded in the core values of the community at the individual, family, and community leadership levels.
