Sandoval County Health Care Assistance Program (HCAP) Indigent Fund

The Sandoval County Health Care Assistance Program (HCAP) is a program that provides health care services to indigent patients who are residents of Sandoval County and can show proof that they have resided in the County for 90 consecutive days. The patient may qualify for health care services provided through the HCAP if the patient is at or below the 185% of the [2014 Federal Poverty Guidelines](#).
