Leadership Santa Fe

Leadership Santa Fe, a program of the Santa Fe Chamber Opportunities Fund, is an annual program where a diverse group of community members is introduced to a broad spectrum of organizations & civic leaders, issues facing Santa Fe and leadership training. Our participants use this 'living classroom' to develop their own leadership capacities and networks.

Leadership Santa Fe, is a nine month-long program, consisting of six two-day sessions focused on different community topics and leadership skills spaced throughout the year. We provide networking opportunities, a leadership development curriculum, and civic awareness training. Between sessions, you have the opportunity to network at Santa Fe Chamber of Commerce events, attend LSF Alumni Appreciation evenings and participate in 'Leadership Santa Fe Day at the Legislature.' Civic awareness topics include Health, Youth & Education, Non Profit Leadership, Economic Development, Government and many other current issues. We prepare interested individuals for community leadership roles.
