

Teacher Education - SFCC

The Teacher Education Department offers an Associates (AA) Degree in Early Childhood and an AA Degree in Teacher Education. Both of these two-year degrees will go towards getting a Bachelors in Education at a 4-year college or university.

The Department offers an Alternative Licensure Program for prospective teachers who already have a Bachelor's degree in another field. We offer four licenses at Santa Fe Community College (SFCC): Early Childhood, Elementary, Secondary and Special Education.

The Department also offers the Early Childhood Development Certificate, a one-year Certificate Program which offers students who do not have an AA degree the opportunity to gain employment in an early childhood center. This Certificate program is offered in both Spanish and English.
