Santa Fe Safe

By bringing together a diverse group of individuals and organizations, Santa Fe Safe strives to increase the resources available to the community and create a seamless, sustainable, and effective response to violence against women and their families. Individuals and organizations can become a member of Santa Fe Safe by simply participating in a workgroup or attending an upcoming event. There is no cost to become a member or attend an event and there is no formal application process. Just bring your commitment to change!

Call to receive announcements and newsletters or to find out more about Santa Fe Safe.
