Parent Organization

Santa Fe Dreamers Project

OUR MISSION AND VISION Santa Fe Dreamers Project provides free legal services to immigrants to promote economic empowerment, community development, family unity, and liberation from detention. Our work is centered around the belief that supporting immigrants makes our whole community stronger. We are committed to representing every qualified immigrant who walks through our doors, to using service strategies that expand vulnerable peoples' access to legal counsel, and to elevating the voices and narratives of immigrants in our community to support positive reform.
