## **Parent Organization**

### **Santa Teresa Bumblebee Learning Center**

#### **Mission:**

The mission Bumble Bee Learning Center, in collaboration with our parents and community, is to provide children quality childcare and learning experiences while providing excellent education in a healthy and safe learning environment where children are prepared with the critical skills, development of social, creative, emotional, physical, and intellectual skills to reach their full potential.

#### **Philosophy:**

We believe in the value of human diversity and the fair treatment of all people. It is our number one goal to provide the kind of environment and the kind of influences that encourage all children to become creative, independent, responsible, well rounded, self-directed adults who can make decisions for themselves. Our desire is for excellence in meeting the needs of children and their families. Our philosophy of childcare is deeply rooted in the history of Early Childhood Education.
