Save the Children Action Network

As the political advocacy arm of Save the Children, we are building bipartisan support to make sure every child has a strong start in life. We're doing this by advocating for [high-quality early learning](#) and [ending child hunger](#) in the U.S., the [safety of children](#) arriving at the southern U.S. border and [educating and protecting kids around the world](#). Check out our website to learn how you can help us take action in New Mexico: SavetheChildrenActionNetwork.org/NM

Save the Children

We work in over 200 of the poorest communities in rural [America](#) helping hundreds of thousands of children each year. At the U.S. Souther Border, in collaboration with our partners, we are supporting respite shelters and welcome centers for Asylum seeking children and families. At these locations families have access to a meal, fresh clothes, hot showers, family and children's backpacks as well.
