Self Directed Choices

The mission of Self-Directed Choices, LLC is to open the door of Mi Via Waiver goods and services to all eligible New Mexicans, regardless of age or health condition(s). We accomplish this by understanding each Participant's disability as it relates to the Participant's abilities and dreams.

The purpose of Self-Directed Choices is to educate, guide and assist each Participant in clarifying their needs and making informed decisions to their unique Mi Via Waiver. This person-centered process is done in partnership with the Participant's natural supports, families and other interested parties.
