

## ASAM level 1.5 substance abuse outpatient sobriety management

Our clinicians as a team are qualified and dedicated towards providing the following services for our community: Assessment and diagnosis, Crisis intervention, Treatment planning, Individual therapy, Group therapy (if the minimum number of dedicated clients consent to participate) Comprehensive Community Support Services (CCSS) ASAM Level I Substance Abuse/Chemical Dependency treatment. We will also provide the appropriate referrals, including medication management if it is clinically recommended. The priority group that will be created is Sobriety Management once the minimum number of clients consent to participate.
