## Sequoyah Adolescent Treatment Center

Sequoyah Adolescent Treatment Center (SATC) is a thirty-six bed residential treatment center operated by the New Mexico Department of Health, accredited by The Joint Commission (TJC) and Medicaid approved. Sequoyah provides care, treatment, and reintegration into society for males ages 13-17 who have a history of violence, have a mental health disorder and who are amenable to treatment. Services are provided based upon the client's needs. The adolescent must have the cognitive capacity to benefit from verbal therapies and milieu programming offered at Sequoyah.

### Parent Organization

#### Sequoya Adolescent Treatment Center

We are committed to promoting safe, healing and empowering services for our residents and their families. We will utilize, create and take advantage of opportunities to teach, support and model skills needed to support our residents and families in achieving the outcomes they desire in the community.
