Early Childhood Development

Early Childhood Development The Early Childhood Program provides care to infants and infants and toddlers belonging to teen parents that attend the career academy or the GED program. The care of children is on- site and allows the teens to be close to their children and know the children are provided quality care while the teens are attending class or while they are participating in on the job or work experience training at a local business This program provides for two early childhood teachers in the toddler program which serves 12 toddlers and two teachers in the infant program
