Share Your Care Adult Day Services

Our mission is to "provide quality adult day services as an alternative to institutional care" so families can be safe, strong and solid. We provide continuous supervision, nutritious meals and snacks, therapeutic social and recreational activities: art, music, yoga, massage, outings, transportation services, assistance with daily living, and care coordination. Our goal is to maximize the participant's abilities through choices of meaningful activities as well as provide a break for their family caregiver or continue employment. We have a consulting nurse and pharmacist, affordable prices with access to funding sources, and a trained and dedicated staff.
