### Parent Organization

#### Sherman Community Foundation

The Sherman Community Foundation exists to enhance the quality of life for the people of Luna County and the southwest region by improving education, vocational skills, access to nutritious foods, and a healthy life style, opportunities for mental and physical health, and cultural experiences for individuals, families, children, and seniors.

Our vision recognizes that poverty, hunger, and poor health are major issues in Luna County and the Sherman Community Foundation collaborates with individuals and organizations, building bridges for the health, education, and welfare of our residents.

Inquiries for collaboration or those seeking fiscal sponsorship are encouraged.
