Silver City Mainstreet Project

Silver City MainStreet has been revitalizing the economy of the downtown district since 1985. We follow the national MainStreet Four-Point Approach - Economic Vitality, Promotion, Design, and Organization. In addition, Silver City MainStreet has restored the Historic Silco Theater, is a collaborating organization in the state-designated Silver City Arts & Cultural District, and continues to collaborate with members and organizations in our community to make downtown vibrant.

Silver City MainStreet/Arts & Cultural District

"To encourage a vibrant, historic downtown Silver City that is recognized as the heart of our diverse community." Silver City MainStreet and Arts and Cultural District is an accredited New Mexico MainStreet program committed to working with our community to foster economic development in our historic downtown. We do this through collaboration and promotion of downtown events, improvements to and preservation of our historic district, creative place-making, encouraging the creative economy, and the development of new and creative uses for downtown buildings. We are proud of our downtown historic district, and encourage you to stroll about the eclectic businesses and interesting architecture.
