Sky Velvet Vassar Music Foundation

We award up to 20 scholarships per year in our Skybird Scholarship program, which provides awards for students ages 8-14 to attend Hummingbird Music Camp during the summer. We also award up to three Musical Note Scholarships, which are cash awards to graduating High School seniors who will be majoring in music at a college, university or conservatory within the United States. Both types of scholarships require young people to exemplify the following traits: musical promise, a love of the arts, leadership, compassion, and a strong sense of community.
