Sunday Service

Church Services are held every Sunday from 10:00am - 11:00am PDT/PST. The Church is the nurturing aspect of God, helping us to experience freedom and liberation by uniting us with divine Spirit. We believe in one God, one Universal Power. ALL PEOPLE ARE WELCOME, irrespective of their religious experiences and background, for we believe there is unity in diversity. The Church services follow a format of: 1. chanting; 2. a short prayer; 3. a reading; 4. a discourse or homily; and 5. meditation. Sunday Services are broadcast live via Ustream every Sunday at 10:00 am PST or 11:00 am MST.

Parent Organization

Spirit of the Lotus Church and School of Wisdom

The Spirit of the Lotus believes there is one God, one human race, and one life eternal. We endeavor to unveil the universal laws and spiritual principles found in the ancient wisdoms as well as in the major religious lineages. We emphasize love and believe in unity through diversity. The Spirit of the Lotus also endorses personal responsibility and the achievement of spiritual empowerment and self-mastery through knowledge, meditation, chanting, and prayer. In this fashion, each individual is given the tools to be of service to God and humanity through the realization of their divine purpose.
