## Food Pantry

The Pantry Room contains shelves with assorted canned and boxed items of donated food from parishioners.  Three times a year, usually February, June and September, we make a formal request for food supplies through the “Caring and Sharing “program.  We also buy food from Roadrunner Food Bank at a minimal rate.  Donations of food are always gratefully accepted anytime. Volunteers are needed to pack double bags with food for distribution, and for distributing those bags each Thursday to people who come to the Church, and fill out a short form. Please contact Sandy Gaudet at the Church office, 293-0376, to volunteer or if you have any questions.
