## Women's Center of Hope

Faith-based residential program providing women with shelter, meals, clothing, and support for a period of 12-18 months. Walk in to apply. This program developed from the perspective that homelessness is both the problem and the symptom of other problems that can range from chronic substance abuse, financial instability, domestic violence, sexual victimization and more.

### Parent Organization

#### Steelbridge Resource Center

In 2017, the Albuquerque Rescue Mission became Steelbridge. The mission of "transforming lives through the power of God's love" remains the focus of our work.

The expansion of Residential Programs at our downtown campus reflects our response to the changing needs our city. Capacity for housing men and women in our programs has almost tripled. Today, there is room for 72 men and 26 women in the New Life Program for men and Women's Center of Hope.

Our emergency services for the public have increased and been relocated to just outside the downtown area, at the Steelbridge Resource Center (2021 Second Street NW). In a strategic move to reduce duplication of services, we collaborate with The Rock (2400 Second Street NW) to provide meals for the homeless and those suffering from food insecurity.

The needs of our community have changed since 1954. We've changed to meet them. The work we do is needed now, more than ever. We are striving to end homelessness one life at a time.
