Sundance Educational Consulting, Inc.

The Mission of Sundance Educational Consulting, Inc. is to assist Native American schools and underserved Native American communities throughout NM with the training and resources necessary to address current issues in their communities such as Student Achievement in Math and Reading, Parent Involvement, Cultural Awareness, STEM Programs and Special and Gifted Education.

We are collaborating with the Non-Profit Fiscal Sponsor, Regional Development Corporation (RDC) on this grant application. Their information is included below for annual revenue, operating budget, board and staff. We have collaborated with RDC for the past 4-5 years on a variety of grant applications including those for LANL and Sandia National Laboratories which we have received funding for each year. An MOU can be provided on request.
