SHCNM Permanent Supportive Housing

SHCNM Permanent Supportive Housing

Supportive Housing Coalition of New Mexico (SHCNM) owns/manages 7 affordable apartment home complexes in Albuquerque, Gallup, and Las Vegas, New Mexico. Housing options range from micro-efficiencies to three bedroom units. 349 individuals and families pay below-market rents to live in a SHCNM apartment home in mixed-income complexes. Service Coordinators provide the support our residents need to access services, educational opportunities, job training, medical benefits, and anything else that will assist them in maintaining housing stability.

Supportive housing has been shown to be the single most effective solution to homelessness. It combines permanent housing with a comprehensive range of community resources and services. We specialize in the development, ownership and management of supportive housing, while our community partners refer and place residents and offer a comprehensive range of supportive services to optimize the health, recovery, independence and housing stability of our residents. We strive to combine supportive housing with mixed income residents, sustainable green features and award winning architectural design.
