Parent Organization

System Overload Robotics

The mission of System Overload Robotics (SOR) is to promote learning of science, technology, engineering, and mathematics (STEM) to the students of the Tri-Valley Area. System Overload Robotics provides a learning environment that educates students and fosters new and innovative ideas. We are committed to inspiring kids through engineering projects and real-life experiences. System Overload Robotics is a Boy Scout Explorer Post sponsored by Robot Garden, a 501(c)3 organization.
