## Talking Talons Youth Leadership

Talking Talons Youth Leadership is serving its community in powerful, effective ways:

- Building young leaders through environmental education and training in public speaking
- Educating youth in science-based conservation through long-term, in-school programs
- Providing hands-on conservation education and job-skills training at diverse outdoor classroom locations
- Engaging youth and the community in wildlife habitat improvement projects
- Managing community-based projects that benefit ecosystems and reduce the threat of catastrophic wildfires
- Generating local jobs, volunteer and first-time employment opportunities at our non-profit Talking Talons Thrift Store

## **Parent Organization**

### **Talking Talons Youth Leadership**

Talking Talons Youth Leadership (TTYL) is a non-profit, 501(c)(3) youth development organization that was founded in 1988. TTYL's mission is to elevate youth and the community to become effective advocates and ethical stewards of themselves, wildlife, habitat, and the environment with a vision of healing the planet by transforming generations of leaders through nature. TTYL's motto: "Inspiring tomorrow's environmental leaders, today."
