Taos Waldorf School

Our mission is to provide a comprehensive Waldorf education that is physically, emotionally, mentally, and spiritually engaging for the whole child. We strive to create a non-competitive, physically and emotionally safe learning environment that encourages community involvement and a robust connection to the land. We foster a life-long love of learning by sparking the children's imagination and developing their capacity for independent thinking. We cultivate each student's unique gifts and enable students to become balanced, vigorous, life-affirming and compassionate beings in an environment that promotes respect and cultural awareness.
