Community Bike Shop

*** COVID-19 Update ***

Our community programs are currently closed to the public. We are hosting used bike sales and repairs at 914 N. Pope St. Call Dave at 575-590-1468 for information.

We operate a Community Workshop with tools and workstations for public use, guided by expert mechanics. Our Earn-A-Bike Program is an opportunity for volunteer labor to be exchanged for a bike and the knowledge to repair it. We host a weekly bike ride and after school programs focused on safety. We also run a ReCycled Bike Art program where old bikes and parts are upcycled into art and utilitarian objects. Our goal is to make bicycles more accessible for transportation and recreation.
