Visual Arts and Cinematheque Public Programming

CCA's Visual Arts program stimulates new modes of cultural practice, cultivates intelligent interrogation of contemporary issues, and fosters an ever-evolving hub for community engagement. Through multi-faceted exhibitions and public programs founded on dynamic collaborations, CCA produces and presents the region's most adventurous and provocative art. Founded in 1979, CCA is one of the oldest artist-centered organizations in the Southwest.

The Cinematheque at CCA celebrates the movies in their many forms, using films and videos to deepen our appreciation of the art of cinema, to provide a thought-provoking gathering place for Sant aFe audiences and broaden our understanding of the crucial issues of the day.
