Homeless care at the shelter

We provide comprehensive care at the shelters for the homeless, including psychotherapy, medication management, MAT services, and CCSS services.

We accept Medicaid for our psychotherapy and CCSS services and Medicare and Medicaid for our medication management and MAT services.

We coordinate care with primary care providers, housing and shelters' case management.

The Gold Standard Mental Health Institute, P.C

We provide mental health services, individual, couples, family and group therapy as well as medication management and MAT. We focus most of our efforts on serving the most vulnerable and underserved, such as homeless populations, jail diversion programs and Head Start programs across New Mexico. We meet people where they are, literally and figuratively.

We accept Medicaid , Medicare and all commercial insurance plans.

We also provide CCSS services, and are certified for doing so.

We believe that every New Mexican deserves top quality mental health care, regardless of socioeconomic status.
