Transitional Living Program

A transitional living program is available for young people who are 16 or older who have completed the majority of the program components at New Mexico Girls Ranch or New Mexico Boys Ranch and can function without reminders to do their chores, manage their time and schedules, and prepare meals. This cottage is co-educational and provides individual rooms for the residents and is also supervised by a married couple who provide guidance and skill development needed for independent living.

Parent Organization

The Ranches

Rekindling hope in today's youth: to provide services for young people and families in pursuit of a brighter tomorrow. Christian values like care and concern for others, honesty and thankfulness are important to our program philosophy.
