### **Parent Organization**

## **The Sávila Collaborative d/b/a Centro Sávila**

Centro Sávila is a treatment program devoted to the recovery and healing of individuals, families, and communities suffering from emotional and psychological distress. Our comprehensive model of care works to decrease health disparities in Bernalillo County and is based on the key principles of public health prevention, community building, and collaboration. Our staff and network of volunteers provide culturally competent care that enhances the natural resiliency of our clients. **Our vision** is a healthy, engaged and equitable community. **Our mission** is to improve the mental health of our community by ensuring access to linguistically and culturally relevant, quality mental health and prevention services, education and healthcare professional development.
