Bernalillo County Urban Agriculture and Open Space Program

Through the Bernalillo County Urban Agriculture and Open Space Program, The Trust for Public Land is working to promote and support a local, community-driven network of agricultural and recreational open space lands in Bernalillo County through creating plentiful and equitable access to agricultural and outdoor recreational opportunities; encourage community engagement through access to shared communal spaces; secure wildlife and water resources; preserve the beauty and unique, historic character of the area; and ensure healthy residents and livable communities by providing close-to-home connection to nature through nutrition and recreation.

Parent Organization

The Trust for Public Land-New Mexico

Our mission is to create parks and protect land for people, ensuring healthy, livable communities for generations to come. Every park, playground, and public space we create is an open invitation to explore, wonder, discover, and play. We're proud to say that we've been connecting communities to the outdoors—and to each other—since 1972. Today, millions of Americans live within a 10-minute walk of a park or natural area we helped create, and countless more visit every year.
