Vietnam Project

Principal forms of assistance are micro grants for small business start up, vocational training, and education. All recipients are personally evaluated. All funds are distributed by two members of our Board who travel to Vietnam once or twice a year at no expense to the Vietnam Project. There are no third parties or intermediaries.

The Vietnam Project

The Vietnam Project is a non-profit humanitarian organization established to improve the quality of life for poor, disadvantaged, and disabled people in Vietnam. We believe the highest expression of charity is to help people to help themselves. All board members are volunteers. We have no rent, utilities, employees, or travel expenses. We have no political or religious agenda.
