Hours: Tuesday - Friday: 10am-6pm; Saturday: 10am-3pm

Parent Organization

Town of Edgewood

The Town of Edgewood, located in the southwest portion of Santa Fe County, was incorporated on July 1, 1999. In the ensuing 20 years, the community expanded through a series of annexations and slow growth to a current population of about 6,000 residents within town limits. There remains a strong focus on retaining the small town, rural character that residents appreciate and value.
